To Whom It May Concern:

I wish to recommend Deborah Osei for promotion to Marketing Manager. I have supervised Deborah for the past three years as she worked in the Marketing Department of Bold Design Studio. She has proven himself to be a natural leader with superb organizational skills.

Deborah's ability to plan a strategy and implement it successfully is an invaluable asset for the recent successes in our department. She was the project leader of Project Retro, which resulted in our group winning the company's coveted Team Excellence Award for the year. She boosts morale and is a great teammate.

With Deborah as marketing manager, I expect the department to thrive and grow even more than it already has. With her knowledge of what is happening in the industry and her experience at this company, I think she is an excellent candidate for promotion.

Please do not hesitate to contact me for inquiries. Thank you for your consideration.

Best regards,

Samuel Boateng
