Dear Venue Coordinator,

Request to reserve a room for a community workshop

We write to request the use of a meeting room on Saturday, 14 November 2026, from 09:00 to 13:00 for a community workshop on household record keeping. We expect 25 participants from the Port Louis and Moka areas.

The session will cover organising utility bills, maintaining a monthly expense register and keeping copies of important correspondence. Participation will be free of charge, and all demonstration records will be fictional.

We would require tables, 25 chairs and access to a projection screen. Please confirm whether the room is accessible without stairs and whether drinking water can be provided. Our venue budget is MUR 5,000.

Kindly send your availability and a written quotation by 30 October 2026 to programmes@rivage-community.example, quoting the reference above. We will confirm the booking after reviewing the quotation.

Thank you for considering our request. We look forward to your response.

Yours faithfully,

Programme Coordination Office
